

Foxwynd Foundation Awards Grant to Mitzvah Circle Foundation to Support Essential Community Services

Lansdale, PA – March 20, 2026 – We are pleased to announce a generous grant from the Foxwynd Foundation to support our ongoing work supporting communities in need. The \$20,000 award will help Mitzvah Circle customize our Salesforce platform in order to optimize services. Last year, Mitzvah Circle provided basic essentials to over 500,000 people who were experiencing crisis, poverty, and homelessness, and this grant will allow Mitzvah Circle to fulfill its mission of serving families in difficult circumstances more efficiently and more effectively than ever before.

“This grant will provide Salesforce customization to allow us to serve our clients more effectively,” said Fran Held, Founder and Executive Director of Mitzvah Circle.

“Mitzvah Circle Foundation plays a vital role in helping individuals and families navigate some of life’s most difficult moments with dignity and support,” affirmed Gloria Galvez, Grant & Partnership Manager, Foxwynd Foundation. “Foxwynd Foundation is proud to invest in organizations like Mitzvah Circle that are deeply rooted in the community and are creating meaningful, lasting impact for those who need it most.”

Mitzvah Circle Foundation is a nonprofit organization dedicated to bridging the gaps for people who are struggling, supplying critical items such as clothing, diapers, period supplies, toiletries, and household goods.
